WORK EXPERIENCE

Retail Store Manager
O'reilly Auto Parts | Lynnwood, Washington USA
09/2017 - Present
I lead a team of employees in our efforts to drive a sales in a retail auto parts store. I am in charge of executing hiring decisions and implementing training for all employees at this location. I engage in a wide variety of activities designed to drive sales in the store such as performing sales calls in the community and enhancing the appearance of the store. I set high standards while managing the team and hold individuals accountable when my standards are not being met. I've maintained a steady increase in sales and new commercial accounts for the business since being promoted to my current role.

Parts Specialist
SME Solutions, LLC | Lakewood, WA United States
03/2017 - 07/2017
Research to determine part needs and order parts for field work. Process core and warranty parts. Over the counter part sales. Shipping, receiving, forklift and other warehouse duties. Work closely with others using effective communication between multiple branch offices to support a growing company's objectives. Worked full time hours here since July of 2016 through Express Employment Professionals. Recently began receiving direct compensation from SME Solutions.

Associate
Express Employment Professionals | Tacoma, WA
03/2015 - 03/2017
Executed a variety of jobs for Express, one of the leading staffing

agencies in North America.

Gained experience in the food manufacturing business. Performed jobs involving production lines, printing presses, packaging and warehouse work. Worked in current position for the past ten months gaining valuable experience as part of a small team in charge of purchasing parts and maintaining warehouse operations for a growing service company.

Forklift Operator, Grocery Loader
McLane Company, Inc. | Lakewood, WA
03/2007 - 01/2015
Nearly 8 years experience working for one of the largest warehousing and logistics companies in the United States. Operated a forklift using a remote inventory system for this company that carries over 50,000 products, delivering to over 90,000 locations nationwide. Learned to move product and enter changes to the inventory system in a safe and efficient manner. Gained certification and experience on a variety of warehouse equipment. Learned to load products in to trailers quickly and accurately for delivery to multiple locations. Worked closely with a team in a fast-paced environment to complete an ever-changing workload.
